Gentlemen:

Be advised that the first "RAPID INTERPRETATION PRINTER-PROCESSOR", Serial No. 1001, fabricated under Item 1 of subject contract, was delivered to your facilities on 1 December 1966.

Concurrent with this delivery and in accordance with the terms of the contract, the ninety (90) day free maintenance period for this unit commenced upon its delivery.

This contractor trusts that during this period, to insure optimum performance, no one other than a qualified [REDACTED] representative will attempt any maintenance, etc., to the unit and proper operating procedures will be adhered to. Further, that this understanding will be complied with for the same ninety (90) day period, applicable to each of the four (4) remaining units upon their separate deliveries.
